Sub:- Establishment - Highways Department - General subordinate services - Attenders - regularisationlf appointment of and grant of increment - Drawal of arrears of pay - Regarding.

Ref:-G.O.Ms.No.2841 P.W. dated 27-7-50.

In their order cited Government have delegated powers of appointment as full members in respect of attenders to the Superintending Engineers (Highways). Ithas been reported by the Superintending Engineer (Highways) of former Coimbatore Circle that as per the orders contained in the G.O., the appointments of certain attenders who were entertained in service after the formation of the department including certain District Board attenders absorbed in this department were regularised with retrospective effect ranging from 1-4-46 onwards, in his proceedings dated 11-6-53. The annual increments consequent on the regularisation of their services were also stated to have been sanctioned by the Divisional Engineers (Highways) concerned. Supplemental bills claiming arrears of pay due to them on the reguarisatinn of their services when presented to the treasuries, it is stated that certain treasury officers did not admit the claim stating that the claims have become due only from the date of issue of the order regularising their services, quoting referende to rule 23(a) of the General Rules for the State and Subordinate Services reissued in G.O.No.2687 Public (Services) dated 28-9-53. In respect of certain other bills which have been honoured for payment at other treasuries it is stated that the Accountant-General, Madras hs objected to the claim and ordered recovery pointing out that the claims are irregular and that the attenders shall not be entitled to arrears of pay from a date earlier to the date of issue of the order regularising their appointments, unless otherwise ordered by Government. It has also been stated that the delay in regularising their appointment is purely due to administrative reasons and want of certain service particulars relating to the attenders. Particulars of similar cases were also obtained from the other Superintending Engineers (Highways) and two consolidated statements for the State, one showing the amount of arrears of pay payable to each of the attenders for which relaxation of Rule 23(a) of General Rules has to be obtained and the other showing the particulars of over-payments made to the attenders which have to be recovered if the rule is not relaxed are enclosed.

2. From the statements enclosed it can be seen that in most of the cases the orders of regularisation of the services of the attenders were issued only after June 1953. As reported by the Superintending Engineers (Highways), the de ay in regularisation of the services of these attenders is purely due to administrative reasons and it is no fault of the attenders.

3. In the above circumstances, it will be a hardship for the poor paid attenders, if they are denied their legitimate claims and recovery ordered for the payments already made, for no fault of theirs.

~~4. I therefore request early orders of Government in the matter~~

4. I therefore request Government to consider the case of these attenders sympathetically and to issue orders relaxing the rule 23(a) of the General Rules in their favour as a special case to enable them to draw the arrears of pay and also to waive the recovery pf the amount already paid to some of them.

5. I request early orders of Government in the matter.

Copy of letter No.T.5A(H)/709 dated 5-3-54 of the Accountant-General, Madras to the Divisional Engineer (H), Palghat.

Sub:-Regularisation of the services of attenders retrospectively.

--

The services of attenders originally appointed on "emergency" basis are stated to have been regularised retrospectively by Superintending Engineer in B2.3922/49 dated 11-6-53. The monetary benefit arising out of this order will be from 11-6-53 vide para.39 (e) of the State and Subordinate services, Rules wh ch states that the incumbent is eligible to draw increments in the time scale of pay applicable to him from the date of commencement of his probation, but shall not be entitled to draw arrears of pay unless otherwise ordered by the State Government.

It is seen that the Divisional Engineer has drawn the arrears from the date of 1st increment as detailed below for the attenders, This is irregular. The amount drawn for the periods prior to 11-6-53 may be recovered.

Copy of letter T.5.A(H) & 708 dated 9-3 of the Accountant-General, Madras to the Divisional Engineer (H) Kozhikode.

Sub:-Regularisation of the serviees of attenders retrospectively.

The services of attenders originally appointed on emergency basis are stated to have been regularised retrospectively by the Superintending Engineer in B2.3922/49 dated 11-6-53. The monetary benefit arising out of this order will be from 11-6-53 only vide para.39(e) of the State Subordinate service rules which states that the incumbent is eligible to draw increments in the time scale of pay applicable to him from the date of commencement of his probation but shall not be entitled to draw arrears of pay unless otherwise ordered by the State Government.

It is seen that the Divisional Engineers has drawn the arrears from the date of 1st increment as detailed below for the following persons. The claim is irregular. The amount drawn for periods prior to 11-6-53 may be recovered.

Name.	Vr.& Date.	Period.	Amount.
1. S.M. Zubiar	124 of 10/53	9-3-51 to 31-8-53	75--5--0

p.t.o.

Copy to Superintending Engineer, Coimbatore Circle for information. A reference is invited to Superintending Engineer's proceedings L.Dis.5147/53 dated 25-10-53 regarding the claim of Sri P.Kandan Kutty and directing the Divisional Engineer, Kozhikode to present arrear bill at the treasury. As the service rules prescribe that arrears are to be drawn from the date of regularisation, a claim for any earlier date is irregular.

Copy of Government P.W.D. Memo.No.2630-Xm/55-1 dted 27th Dec.1955 to the Chief Engineer (Highways), Madras:-

---

Sub:-Establishment - Highways Department - General Subordinate Service - Attenders - Regularisation of appointment and grant of increment - Drawal of arrears of pay and recovery of over-payment.

Ref:-From the Chief Engineer (Highways) No.38844-F2/54-12 dated 5-12-55.

It is observed from the statement II and the copies of the Accountant-General's letters enclosed with the letter cited that the period and figures in the Statement relating to the over-payments made to the attenders in the Palghat and Kozhikode divisions do not tally with those given by the Accountant-General, Madras in his letters to the Divisional Engineer's, Palghat and Kozhikode. The Chief Engineer (Highways) is requested to state (i) the reasons for this discrepancy and (ii) whether there is any such variation in the figures in respect of other divisions also.
